The answer is option 3: she received a message that her 1st husband had died

Two Planets attract our attention: Mars and Pluto, both close to the cusp of the corner Houses. Both (classic and modern, relate to the 7th House: the 1st husband)

- Mars is also Ruler of the 12th House of Loss in the AH Chart: loss of the partner.
- Mars trine Venus, Ruler of the 1st in the 3rd: receiving the message
- Mars, classic Ruler of the husband, trine Venus, the husbands Ruler of the 12th House of loss
- Mars and Venus, part of a Kite, sextile Saturn, the natural signficator of death

With a somewhat larger orb you see:

- Sun (male) trine Jupiter/Mercury her and his Ruler of the 8th
- Sun part of a T square with Uranus in the 8th and Neptune (loss)

Normally I would publish only one method that leads to the answer. But this time I will let you read his findings for you to learn how different approaches give the same answer.

In her birth chart, this man is signified by Venus, which is the first Planet after the Sun by sign degrees.

The Lunar eclipse on May 26th , 2021 was in trine with this Venus, which is also almuten of the 8th . The latest station of Jupiter before the event was on September 13th 2020, conjunct to natal Jupiter (almuten of the 8th , in its sign of fall). The latest station of Saturn was two days before the event, on May 26th 2021, and conjunct to the Lot of Marriage.

The Profected Ascendant was in Cancer, which contains the cusp of the 12th House in the birth chart. The Moon was thus the Lord of the year. In the birth chart, it is an almuten of the 12th . The 12th House is thus intensely highlighted, which suggests a year of loss (of whatever kind). This Moon is in square with natal Venus, almuten of the 8th and signifier of the first husband, and opposed to Jupiter, other almuten of the 8th .

On her previous birthday, the Moon was in Aquarius, 7th zodiacal House of her birth chart. Venus was in her fall in Virgo, opposed to Saturn almuten of the natal 7th and of the Lot of Marriage, posited in the 8th .

In the Solar Return, i.e. transits on the birthday, with the profected ascending sign considered as the 1st house, and all other Houses considered with the zodiacal domification, the Moon was in the 8th House and Saturn, lord of the 8th , was on the cusp of the 7th .

In the quotidian chart, the Ascendant is exactly conjunct with the natal Lot of Marriage. It is also conjunct with transiting Saturn, which is the almuten of the 8th and 12th Houses of this quotidian chart. Mercury, almuten of the 7th as the Ruler of intercepted Virgo, is in exact conjunction with Venus, almuten of the 8th.

- Natal chart

The 7th House is not a mulatrikona, then the 2nd House in Leo and its Ruler tell us about the marital life. Therefore, the Sun and Jupiter signify the first husband.

The Sun is in a nakshatra of Rahu, Swathi, and Rahu takes place in a nakshatra of Saturn, who is placed in the 6th House counted from the Sun. Rahu is in a sign of Mars. Mars is conjunct to Jupiter, karaka of the husband, in the 6th House of accidents.

The Moon is in a nakshatra of Rahu, the Ruler of the bukhti. The Moon rules the 8th House counted from Jupiter and is in opposition to him.

- Sidereal solar return

The Sun and Rahu are kept as the masters of time. The Sun is closely conjunct to the Ascendant in Libra and is the second ruler of the 7th House by exaltation. The Sun is aspected by the natural malefic planets Saturn and Mars : the Sun is in the 10th House counted from Saturn and in the 8th one counted from Mars. Rahu is in the 8th House , in a nakshatra of Mars, the Ruler of the 7th House. The Moon is conjunct to the cups of the 7th House in the natal chart.
