The answer to the Test is option 2: he joined the army

I accidentally posted this Test earlier (Test 73). You can read the analysis of the answer there.

Still, some didn't recognize the Test. For them and the other participants, their answers follow in order of receipt.

Uses the Lunar Return

Lunar Return 12th Lord Jupiter exactly conjunct Lunar Return 5th and 10th Lord Venus (at zero degrees). This indicates a loss of the current career or a career overseas (in foreign lands). Joining the army would cause the man to lose his civilian job and it would send him into foreign lands. - Lunar Return 11th Lord Pluto conjunct natal Rahu (at one degree). Using the principle of Bhavat Bhavam, the 11th house is 6th from the 6th house. Joining the army is a 6th house and 10th house matter. - The man has a very strong natal Saturn. Saturn is angular, in great dignity, and conjunct the Ascendant as the 6th Lord. People who join the military usually have a strong Saturn or Mars and involvement of the 6th Lord with the Ascendant makes it even more likely that he joined the military

Susanne Tietgens (Germany)

Military service is primarily associated with the 6th house, Virgo, and Mars. In the natal chart, the ruler of the 6th house is placed on the Ascendant.

The 6th house signifies service, and with Saturn on the Ascendant—a traditional signifier of duty and profession—military service is a plausible expression.

In the Lunar chart, Mercury (service) is conjunct the MC.

In the Solar return, the ruler of the 1st House (Aquarius) is Saturn placed in the 6th House (service).

The partial solar eclipse of 23 January 1917 falls on the cusp of the 6th House.

The same theme is also reflected in the harmonic chart. Briefly:

Harmonic Age

Military service: 6th house and Virgo (serve), and Mars.

- **Scorpio rising; ruler Mars. Mars also rules the 6th house.**
- **Mars opposite Saturn; both in a T-square with the Floating MC in Virgo — military service as a vocation.**
- **Biwheel: the Harmonic Ascendant falls on natal Mercury.**

Uses the AH Technique

Moon in 9th House Leo at 120 degrees from Saturn in 1st House Scorpio and from Pluto in 5th House Aries (trine fire)

Mercury in libra in 11th House at 120 degrees from Mars 7th House in Gemini. Uranus conjunct Venus in 12th House Scorpio.

Uranus and Venus in the 12th House in Scorpio read the coercitive nature of the institution or quality of experience, the Moon in the 9th House in Leo can mean a foreign feeling of recognition, appreciation. Mercury trine Mars 7th and 11th House can mean group connection in aggressive communication.

Well done everybody!!

A new Test will be posted to the website round and about **April 1st**.

Until then!
