The answer is option 2: he committed suicide

The answer is option 2: he committed suicide

There are many exact aspects pointing to this:

- Saturn conjunct the Ascendant immediately points into the direction of his death. *Mars on the Mc I his natal Chart shows the possibility of a violent death/ gunshot* Mars (gun) opposite Jupiter, Ruler of the 1st AH House (his body/head) shows he pointed a gun on himself.
- Pluto (death) in the 8th House inconjunct the Nnode shows his violent and fatal end
- Nnode opposite the Sun/Vx in Cancer Sign on the 8th AH House
- Neptune, death sextile Eq Asc.

10 Astrologers participated in the Test. 9 Found the correct answer.
Susanne even found the reason for his act: he was disappointed in love.

The running period for the event is : Mercury, Saturn

Mercury and Saturn rule the Maraka Houses II and VII, whose signs are their mulatrikona. Both make an aspect to the luminaries. Moreover, the Sun rules the Ascendant.

- Mercury is conjunct to the Sun and in a nakshatra of the Sun
- Saturn aspects the Moon and the Sun : they are in the seventh and tenth houses from Saturn
- Saturn signifies longevity and death. Its conjunction to Rahu means a violent death

Speculation

The background could be: Harmonic Ruler AC Jupiter in Sagittarius in the 4th House could point to an exaggeration of feelings. Jupiter in Sagittarius is very wild, badly in love? Saturn as ruler of the 5th house (Radix) on Harmonic AC: disappointment / rejection. Maybe the man first has intense feelings, excited for anything he loved, then disappointed and then depressed?

Yes, Susanne, you spotted that right! the reason for his suicide seems to do with disappointment in love...

Dasa running at the time of event was Mercury-Sat-Mo-Ra-Sun

These Dasa lords are not only signifier of 1-8-12 but also one of the co-ruling planets of death inflicting Houses. KCIL also stipulates that for a native to commit suicide, Prana Lord should be one of the co-ruling Planets of Ascendant and should involve 8 & 12 and commit to Ascendant. In this case, Sun was Prana Lord. Sun is one of the co-ruling planet of Ascendant and Sun involves 8th house through its Star Lord Mars and commits to 1 and 12 through its sub lord.

Virtual Transit: Progressed position of Ascendant SSL Saturn which is Bhukti lord is signifier of 1-8-12. Progressed Moon's co-ruling Planets are signifier of 1-8-12 in the progressed chart.

Transit: Transit of Sun and Moon and slow moving Planets Jupiter and Saturn agree with the event.

Below are my findings for Test 45. I'm using Vedic Astrology.

The man was running Ketu-Ketu-Rahu dasha. Ketu is placed in fatal degree (Mrityu Bhaga) and is tightly conjunct the Atmakaraka (self-significator). Ketu is rasi aspected by both Saturn and Uranus, bringing a tendency towards depression, despair, and instability to the mind. Natally, the man has a mental illness yoga (liable to insanity), and the Moon is afflicted in the rasi, navamsa, and shastiamsa. Ketu's lord is Venus, who is maraka for Virgo lagna.

By transit, Pluto is conjunct the man's natal Moon-Ketu conjunction, bringing endings and darkness to the mind. To worsen the situation, transit Moon-Rahu is also conjunct natal Pluto.

uses the Age Harmonic Technique

- Saturn conjunct the Ascendant points in the direction of his death
- Jupiter, Ruler of the 1st House, in the 4th House (endings), opposite Mars, Ruler of the 12th (undoing). Mars = bullets, guns, sextile Pluto in the 8th (death)

- Anand Ghurye (India)
uses the Age Harmonic Chart

In the Age Harmonic chart ,Saturn very close to Ascendant cusp with close aspect to Ascendant and Uranus shows some kind of negative event in his life , of his own volition (Fortuna in the fifth House)

Great! Well done everybody. A new Test will be posted to the website round and about
October 1st.
