### 1) Natal chart

The House IV is in Capricorn as well as its ruler Saturn and Jupiter. Therefore Saturn signifies the parents or grand-parents. Saturn squares Venus, the lord of the Lot of the Father : 29° Cap ; 29° Aries ; 28° Taurus. The lady is in the planetary age of Venus, from 14 to 22 years old. The Sun, natural significator of the father, is in a triplicity of Saturn.

### 2) the Solar Return for 1976

Saturn is the ruler of the profected Ascendant, and also ruler of the day and of the hour of the chart. Saturn is the lord of the year.

Saturn is weak at 0°00 Leo, in a cadent house and is afflicted by the large conjunction to Mars. It means that parents or grand-parents will be afflicted during the year. Leo is a masculine sign, so Saturn signifies a man.

Saturn is at the ansticion of the natal Lot or the Father and in opposition to the natal Saturn.

The natal House IV becomes the House VIII, which is ruled by Saturn.

Solar return MC is conjunct natal Moon-Ketu, indicating loss of father.

The rectified time of birth as per this method comes to 14-59-47.

Reason: Dasa running on the date of event was Ju-Mo-Ju-Ju-Mer. All these Planets are co-ruling Planets of cusps 4/9/3/10/5 in the native's chart. These Houses are 1-8 Marka and badka Houses with respect to native's Father. Dasa Jupiter Bhukti Moon and Para Lord Mercury are significators of 9-4-3-10 and 5 which are death giving Houses of native's father.

Virtual Transit: SSL of Progressed chart is Mercury which is significator of death giving Houses of native's father in the natal chart. Moon's progressed position operates 4-9-3-10 and Badka Houses in the progressed chart. This confirms death of the native's father.

Real Transit: Sun transits in Sun sign and in sun star. Sun is Virtual SSL of 9<sup>th</sup> House. Sun is also significator of 4-9-3-10 and Badka Houses, Moon and Jupiter Transit in Venus Sign and Sun Star. Venus and Sun are significators of death giving Houses of native's father. Saturn Transit in Moon Sign (Bhukti Lord) and Mercury Star (Prana Lord). As per KCIL method, when death occurs to a person, Moon transits either on 8<sup>th</sup> SSL or in the star of 8<sup>th</sup> SSL. In this case, Moon transits in Sun Star. 8<sup>th</sup> SSL is Mercury in the chart. Mercury is in Rahu star and Rahu represents Sun. Thus Moon, on the date of death of native's father, transits star lord of 8<sup>th</sup> SSL double confirms the event.
