Asc Leo: in the natal chart, Leo rules the 5th House of children. Harmonic Asc.

Ruler Sun in Scorpio = death of the daughter

Aspects of the Sun in the Biwheel:

Harmonic Uranus square to natal Sun

Harmonic Sun opposition to natal Uranus = sudden separation from his daughter

Closest aspect in the Harmonic: Moon in the 5th House of children square to the North node = farewell. Moon ruler of the 12th = the 8th House of the daughter.

Uses Western astrology – Tertiary progressions

In my opinion, this man lost his daughter on August 2nd 2015.

the natal chart : signs of an early death of a child

Mercury rules the 5th House and is weak by its place at the very end of a sign. Weak as well with no dignities and in the 8th House

Mercury is afflicted by the close square of Saturn, which signifies death like the 8th House

tertiary progression chart : on November 12th 1940 at 11h49 UT in Amsterdam.
Ascendant at 20°32 Capricorn, MC Placidus 25°55 Scorpio.

The lord of the hour is Jupiter, weak because it is retrograde and out of its dignities.

Jupiter is afflicted by the conjunction of Saturn. Both planets are in opposition to Mercury, the Ruler of the 5th House as well in this chart.

The Moon at 21°Aries squares closely the natal Part of children at 22° Cancer.

- The Asc. AH in Leo, and natal 5th House is in Leo.
- The Sun ruler of the Asc. AH and of the natal 5th House square to the Asc.AH

SL Narasimhan (India)
METHOD - KCIL using SSL

Dasa running on the day of event was Saturn-Mars-Venus-Venus-Saturn
All Planets in the dasa series are not only appearing in 5,6,11,12 and 3 which are Death inflicting Houses of his daughter but also signifiers of these Houses. Moon transit over Rahu star on the day of event and Rahu is as good as Sat in the chart. Thus transit agrees. Moon Progressed position also operates above Houses in the Progressed chart and SSL of Progressed chart operates 5,6,11,12 and in the natal chart confirms the event

Chiarastella Ghersani (Italy)
