Astrology

The answer is option 4: she gave birth to a daughter (in a hospital)

The above configuration speaks for itself.

Eq/Sa trine Nnode conjunct Jupiter (birth and Ruler of the 5<sup>th</sup> House of children)  
Jupiter trine the Moon

---

8 Astrologers participated in the Test. Two found the correct answer.

Christy (USA)  
using Lunar Return.

- Three out of four angles in the Lunar Return are afflicted by malefics, indicating some type of trauma to the physical body.
- Lunar Return 5<sup>th</sup> Lord Jupiter sits in the Lunar Return Ascendant. Jupiter is the natural significator of children.
- Lunar Return 1<sup>st</sup> Lord Pluto conjunct Lunar Return 8<sup>th</sup> Lord and Lunar Return 11<sup>th</sup> Lord Mercury (at 3 degrees).
- Lunar Return 1<sup>st</sup> Lord Mars exactly squares Lunar Return 3<sup>rd</sup> and 4<sup>th</sup> Lord Saturn (at zero degrees).
- Lunar Return 1<sup>st</sup> Lord Pluto exactly squares natal Rahu and Ketu (at zero degrees).
- Lunar Return 1<sup>st</sup> Lord Pluto squares natal 7<sup>th</sup> Lord Pluto (at 2 degrees).
- Lunar Return 1<sup>st</sup> Lord Pluto squares natal 8<sup>th</sup> Lord Jupiter (at 3 degrees).
- Lunar Return 1<sup>st</sup> Lord Mars conjunct natal 9<sup>th</sup> Lord (5<sup>th</sup> from the 5<sup>th</sup> house, Bhavat Bhavam) Saturn (at 4 degrees).
- The event that happened is an 8<sup>th</sup> house event. There are two answers that involve the 8<sup>th</sup> house. Either she was hit by a car or she gave birth to a daughter. Because the nodes are activated and because the 7<sup>th</sup> and 5<sup>th</sup> houses are involved, I believe she gave birth to a daughter.

Aurore Paquet (France)  
Uses the Solar Eclips

We have a solar eclipse on October 3, 2005, at 10°19' Libra, sextile natal Venus and conjunct to solar return Jupiter.

The ruling planet of the year, Venus, is in its domicile in the natal chart. It applies by trine to Jupiter and the Part of Children at 27°10' Virgo. The profected planet reactivates the natal chart, and Jupiter in the 5th house is conjunct the Part of Children.

The divisor Saturn is the almuten of the 10th and 11th houses, conjunct the Ascendant and sextile the Sun, the almuten of the 5th house, which could indicate a late birth.

The profected Ascendant falls in the 5th house of the solar return.

---

Quit an achievement Christy and Aurore! Congratulations! It was a difficult Test, many were misled through the involvement of malefics, which Christy pointed out nicely also can refer to harm done to the body during child birth.

A new Test will be posted to the website round and about **December 1<sup>st</sup>**.
