

This is a very difficult Test. The single is isn't very clear as well. You need to look for confirmation in the biwheel.

In the single wheel two Planets draw the attention:

Mercury, ruler of the 1<sup>st</sup> AH House conjunct the 7<sup>th</sup> (note that Mercury is also Ruler of the 1<sup>st</sup> and 10<sup>th</sup> House (social status) in the Natal Chart).

And the Sun conjunct the 8<sup>th</sup> AH House.

Lets look at the Biwheel (Natal Chart inside):

The answer is best recognized in the biwheel (Natal chart on the inside)

You see:

- Mercury, Ruler of the 1<sup>st</sup> conjunct the 7<sup>th</sup> House
- Jupiter, Ruler of the 7<sup>th</sup> AH House conjunct the Natal Mc/Vx sextile natal Venus
- AH Venus/Mars/Mercury/Sun sextile natal Mc/Vx
- Floating Mc conjunct natal Nnode
- AH PF trine natal Neptune, Ruler of the 7<sup>th</sup> House

Still, you could say there are as much indications for his mother death. Yes... it is a close call... I agree. When you still have doubts there is another technique that might help you out: Profections.

Profected year:

At his 25<sup>th</sup>, Venus is the year lord. As the Planet of love it is hinting in the direction of a marriage. Look at the aspect Venus makes in the natal chart: conjunct Mars, Ruler of the 7<sup>th</sup> Profected House!

Profected month:

Profected month (August) = 9<sup>th</sup> House = Mars (Aries) and Mars is Ruler of the 7<sup>th</sup> Profected House conjunct Venus. Notice the Pars of Fortune in that House, trine the Moon, Ruler of the 10<sup>th</sup> Profected House (social status) and trine Venus Profected ruler of the 1<sup>st</sup> (conjunct Mars Profected Lord 7)

Profected day:

Profected day. Counting from the 9<sup>th</sup> = 5<sup>th</sup> House. On the cusp on the 5<sup>th</sup> House you see his stellium with e.g. Sun/Me. Mercury being the Ruler of the 1<sup>st</sup> natal House sextile Jupiter, Ruler of the 7<sup>th</sup> Natal House

Everything is pointing in the direction of a marriage, not the death of his mother. There is your confirmation.

10 Astrologers participated in the Test. One Astrologer found the correct answer in a 2<sup>nd</sup> attempt.

Susanne Tietgens (Germany)  
uses Profections

Profection of the year:

2<sup>nd</sup> House Venus (Libra) – Love

Profected month, August = 9<sup>th</sup> House = Mars (Aries) , Ruler of the 7<sup>th</sup> Profected House  
conjunct Venus, Ruler of the 1<sup>st</sup> Profected House in the Natal Chart

Profected day = 8<sup>th</sup> House = Mars (Aries) – idem

---

A new Test will be posted round and about **April 1<sup>st</sup>**
