- Venus sextile Saturn (end of Life)
- Jupiter ruler 3rd and 6th House (4 from 3rd , end of matters) in 12th (loss)
- in the 10th House (8th from 3rd) is Mercury (sign for brothers), Mercury rules the 12th House (loss)

Susanne Tietgens (Germany)

uses Profecions

- Profecion of the year at the age of 70 = 11th House
Scorpio Ascendant becomes house 1 = from the point of view of the AC Ruler Mars with Uranus on cusp 8 (death).
Mars is the general signifier for brothers. Mars-Uranus means the sudden death of the brother. Here in the 8th House (6th House Radix) there is also Saturn in Gemini (death of a sibling)
- the Profected month is identical with the Profected year (11th house). So the brother dies within a month of the birthday
- the Profected day is House 3 of 11 = 1st House radix. Ruler Jupiter (also ruler of the 3rd house Radix Pisces) is in the 8th house and indicates the death of a sibling.

Matthieu Kaiser

uses Profecions, Quotidian

The profected Ascendant is conjunct natal Jupiter, which is almuten of the 3rd House, in the 8th .

Besides, in the lunar revolution adjusted for precessions, Saturn is conjunct the Ascendant, hence a heavy and sad environment during the month.

Finally, the quotidian horoscope is particularly telling. Mars, the almuten of the 3rd, is in square to the Sun, accidental significator of death as ruler of the 8th, and Pluto, general significator of death. The Sun and Pluto are conjunct in the 1st House. Uranus is exactly conjunct to the cusp of the 3rd House (Placidus Houses). Mars is also in square to Jupiter, almuten of the 12th House. All this speaks of a separation from the brother by death, a very sudden event which deeply shook this lady.
